# Beijing International Convention Center

## General Introduction

- Close to Asia Games Village, Beijing Continental Grand Hotel and the Beijing International Convention's full range of facilities include conference, exhibition, tourism, business center, residence, entertainment, and shopping, creating a Bei Chen city of finance and commerce. Located at the crossway between North Fourth Ring-Road and the city middle axes, it is next to the Olympic Village, 20 kilometers away from the Capital Airport in the East and 9 kilometers away from city center in the South. As a large size 4 star hotel, Beijing Continental Grand Hotel has 531 room and suites and nine restaurants serving different Chinese cuisines. Beijing International Convention Center is a 5 star corporation and has 41 meeting and conference rooms, exhibition area of 5000m<sup>2</sup> and is currently in China's most ideal international and national meetings, exhibitions, cultural exchange and business venue.
