

# ICOPS 2024

## 51<sup>st</sup> IEEE International Conference on Plasma Science 4<sup>th</sup> Asia-Pacific Conference on Plasma and Terahertz Science ( ICOPS & APCOPTS 2024 )

June 16-20, 2024

Beijing, China

### • General Chair:

**Tao Shao** Institute of Electrical Engineering,  
Chinese Academy of Sciences

### • Technical Program Chairs:

**Kentaro (Ken) Hara** Stanford University

**Chao Chang** Xi'an Jiaotong University

### • Treasurers:

**Chunqi Jiang** Old Dominion University

**Cheng Zhang** Institute of Electrical Engineering,  
Chinese Academy of Sciences

### Topics

- Basic Processes in Fully and Partially Ionized Plasmas
- Microwave Generation and Plasma Interactions
- Charged Particle Beams and Sources
- High Energy Density Plasmas and Applications
- Industrial, Commercial & Medical Plasma Applications
- Plasma Diagnostics
- Pulsed Power and Other Plasma Applications
- Terahertz Sources, Radiation and Applications
